

How to carry 3 cold plates How to serve the guests

What you need
- 3 plates

Techniques :

Step 1

The first plate

How :

- Seize the 1st plate with your right hand : your thumb on the edge of the plate, your other fingers under.
- Put it on your left hand between your little finger and your thumb, put the fingers flat under the plate

What to pay attention to :

Always seize plates by the edge to avoid finger marks.

Step 2 :

The second plate

How :

- Put the second plate on the high part of your palm.

What to pay attention to ? :

The plate has to be on your thumb and your little finger of your left hand. Both plates must be horizontal to avoid spilling juice or damaging the display.

Step 3

The third plate

How ?

- Take the third plate with your right hand: your thumb on the edge of the plate, your other fingers under.

What to pay attention to ? :

Take the plates in the order you will serve them

Step 4

Serve the guests

How ?

- Put each plate in front of the guest, from the right.
- Respect precedence

What to pay attention to ? :

- Precedence : it is the order of service which respect protocol rules. Here are the main rules. : Women must be served before men
- When a dish needs to be carved, it must be done as near the guest as possible
- Serving from the right is easier and does not disturb the guest.
